Re: Sosa, et al. v. Bentis Fresh Bread, Inc., et al, 20-cv-4705 (MKV)

Your Honor,

I jointly with Plaintiffs and co-Defendants to respectfully request that the Court's Order of November 6<sup>th</sup>, 2020 be amended to permit the following briefing schedule for Defendants' contemplated motion to dismiss:

1. Defendants' Answer or Motions to Dismiss to be filed on or before January 1st, 2020.
2. In the event any Defendant files a motion to dismiss in lieu of an Answer, Plaintiffs' opposition to be filed on or before January 22nd, 2020.
3. Defendants' reply, if any, to be filed on or before January 29th, 2020.
4. Plaintiffs' may refile their Amended Complaint within the next three days in light of the Clerk's Deficiency Notice.

Currently, the Defendants are required to interpose an Answer or a Motion to Dismiss on or before December 14<sup>th</sup>, 2020.

The parties are engaging in productive discussions in light of the pending motion and all parties agree that more time would be very useful in advancing those discussions. Moreover, Defendant Louis Bentivegna will be undergoing serious surgery starting this week which will likely require extended recovery time and prevent the undersigned from speaking to him meaningfully about either a motion or a resolution.

And, the upcoming holiday puts further pressure on counsel and the litigants and thus the parties would respectfully ask for the above extension.

The above requests are all made on consent of the parties. And the parties each thank the Court for its attention to this matter.
